

# INVESTMENT FUNDS GROUP

*Experience Webber Wentzel's legal advantage*

## WHAT WE DO

Webber Wentzel's top-ranking investment funds practice acts as lead counsel for numerous local and international private equity and venture capital funds across the continent.

## DEPTH OF EXPERIENCE

We have the largest funds team in Africa, comprising 11 experienced funds lawyers, four funds tax experts, two international tax experts and an exchange control specialist.

## PROVEN TRACK RECORD

African and international fund managers rely on our proven track record and deep understanding of international financial centres to advise on optimal jurisdictions and structures. We are consistently rated as the leading law firm in the fund formation market in South Africa and throughout Africa.

## FLEXIBLE FEE STRUCTURE

We offer flexible, value-driven rand denominated (or rand-equivalent) fee structures designed to align with your specific requirements.

"Great diversity in the team, with good experience and visibility across investment fund structures." \_Legal 500

Legal 500  
*A position we have maintained for a decade and the only South African firm ranked in the top tier.*
